

Dear Potential Member:

As president of the **Hamilton-Halton Home Builders' Association** (HHHBA) I encourage companies working in our industry to consider joining our Association. Becoming a member of the HHHBA means you will have the support of a network of peers who are also committed to excellence in the home construction, land development and renovation business – and be eligible for tangible competitive advantages.

We are the voice of the residential construction industry in Hamilton-Halton – advocating for the needs of our members and the home-buying public. We also contribute our voice to the work done by the Ontario and Canadian Home Builders' Association, which works to promote a strong and positive role for the nation's home-building industry. In addition to the advocacy work we do with municipal and provincial government, we provide ongoing communications on industry trends through our newsletter, website and special publications. We also offer numerous professional development opportunities for our members and educational material for consumers.

Membership benefits also include valuable discounts with supplier partners – including those providing office supplies, insurance programs, cellular phone services, fuel, and others. Our numerous events and social programs provide valuable networking opportunities, and the Association's annual Awards of Distinction enable members to compete for recognition in categories that honour excellence in design, craftsmanship, marketing and customer service. Being a member of the HHHBA means you can proudly display our corporate logo on all of your signage and marketing materials, indicating to prospective clients or home buyers that your company is amongst the best in the local industry. Your company will also be listed in our membership directory and on our Association's website (www.hhhba.ca).

Please take a moment to review the materials in this membership package, and the process by which your organization can join our association.

Thank you for considering membership in the HHHBA. We look forward to your involvement in our Association.

Sincerely,
Nick Carnicelli
