

WEHBA Summit

NOVEMBER 3, 2025

MAYOR

Marianne
MEED WARD

10-Year High

From Pipeline to Permit Burlington's plan to enable 29,000 units in complete communities by 2031

Number of Housing Units - 42,424 Total

Designing and delivering complete communities in Burlington that:

- are inclusive, diverse and connected
- are safe
- environmentally sustainable
- have housing choice and affordability
- offer services, shops, community amenities, jobs and parks within walking distance
- are easy to get around with multiple transportation options

- **Pre-application** are developer consultations with the City prior to making a planning application
- **Under Review** are planning applications received by the City for consideration
- **Approved** are development applications that have received all planning approvals from the City and are ready to apply for a building permit
- **Waiting for Site Plan Application** are developments that have received zoning approval but have not yet applied for site plan approval
- **Appealed to OLT** are developments that are pending a land use planning decision from the Ontario Land Tribunal

Missing Middle Report

Missing Middle Initiative
